**HEARING OFFICER ORDER**

On September 12, 2004, the petitioner informed the hearing officer that it needs to perform one additional boring and then it will complete a corrective action report and submit it to the respondent for review in anticipation of a no further remediation letter. Petitioner represented that it will file a waiver of the statutory decision deadline.

The parties are directed to participate in a telephonic status conference with the hearing officer on November 18, 2004, at 10:45 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
