HEARING OFFICER ORDER

On September 21, 2004, the parties participated in a telephone status conference with the hearing officer. The parties agree that there are several people whose depositions are crucial to this case. Complainant knows that these individuals are in southern Illinois, but it has not been able to locate them. The matter has been referred to complainant's investigators, and the parties hope that discovery will be complete within the next 60 days.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:30 a.m. on December 7, 2004. The telephone status conference will be initiated by the complainant, but each party is responsible for its own appearance. The parties shall be prepared to discuss the status of this case, and their readiness for hearing.

IT IS SO ORDERED.
