HEARING OFFICER ORDER

On September 21, 2004, the parties participated in a telephone status conference with the hearing officer. The Illinois Environmental Protection Agency has advised the parties that it will approve the proposed settlement agreement if language is added to address one minor issue. The parties hope that the proposed settlement will be filed with the Board before the next status conference.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on November 23, 2004. The status conference shall be initiated by the complainant. If the proposed settlement agreement is filed before that date, the status conference shall be cancelled with no further notice.

IT IS SO ORDERED.
