**HEARING OFFICER ORDER**

On September 29, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that this matter is related to an enforcement matter. The parties represented that they anticipate that many of the issues in this matter will be resolved through future settlement discussions. The parties made a joint oral agreement that the record in this matter will not be due until December 6, 2004. The parties' agreement is accepted and the record is now due to be filed on or before December 6, 2004. Finally, the petitioner represented that it will file a waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 4, 2004, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
