**HEARING OFFICER ORDER**

On October 5, 2004, the parties contacted the hearing officer separately regarding this matter. Petitioner was not aware of any progress regarding its proposed ELUC (Environmental Land Use Covenant). Respondent subsequently contacted the hearing officer to report that it has approved the ELUC, and the parties need to discuss the technical details before this case may be dismissed. Respondent's attorney had emailed this information to petitioner's attorney, but apparently it was not received. Petitioner agreed to file an additional waiver of the decision deadline to February 28, 2005 within the next seven days.

The parties are directed to participate in a telephone status conference with the hearing officer at 2:00 p.m. on October 28, 2004. The status conference shall be initiated by the petitioner. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

The decision deadline is currently January 31, 2004.

IT IS SO ORDERED.
