HEARING OFFICER ORDER

On October 6, 2004, the parties informed the hearing officer that a settlement has been reached and that the complainant is drafting a stipulation and proposal for settlement (stipulation).

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 9, 2004, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
