HEARING OFFICER ORDER

On October 14, 2004, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it is continuing internal discussions regarding the final resolution of this matter. The petitioner anticipates that it will file a voluntary motion to dismiss if a resolution is achieved. The respondent's attorney is reminded to file its appearance.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 10, 2004, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
