**HEARING OFFICER ORDER**

On October 21, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioner made an oral motion for an extension of time to file its response to respondent's motion to dismiss filed October 20, 2004, and respondent's motion for an extension of time to file the record filed October 14, 2004. The respondent had no objection. Petitioner's motions are granted. Petitioner's response to respondent's motion to dismiss and its response to respondent's motion for an extension of time to file the record are now due to be filed on or before November 12, 2004. The petitioner represented that it will file a 90-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 16, 2004, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
