**HEARING OFFICER ORDER**

On October 28, 2004, the parties informed the hearing officer that they have reached a settlement in principle and that the respondent is in the process of forwarding a written proposal to the petitioner for review. If accepted, the petitioner anticipates filing a motion to voluntarily dismiss the above-captioned matter.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 22, 2004, at 9:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss this matter is filed prior to the next status conference, the status conference will be cancelled without further order.

IT IS SO ORDERED.
