## **HEARING OFFICER ORDER**

On November 10, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they have been discussing settlement, including the possibility of alleged new violations being incorporated into the stipulation and proposal for settlement. The respondent made an oral motion for an extension of time to file its answer. The complainant had no objection. The respondent's motion is granted. The respondent's answer is now due to be filed on or before February 3, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 13, 2005, at 11:00. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
