**MOTION FOR EXTENSION OF TIME
TO FILE RECOMMENDATION**

NOW COMES the Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY ("Illinois EPA"), by and through its attorneys, and moves the ILLINOIS POLLUTION CONTROL BOARD ("Board") for an extension of the time to file a Recommendation to the Petition for an Adjusted Standard from 35 Ill. Adm. Code 218.301 and 218.302(c) (hereinafter "Petition") filed by the Petitioner, SCA TISSUE NORTH AMERICA, L.L.C. ("SCA Tissue"), in the above-captioned matter.

1. Petitioner filed their Petition with the Board on October 12, 2004, and the Illinois EPA received a copy of the Petition on or about that same date.

2. Section 104.416(a) of the Board's procedural regulations provides that the Illinois EPA must file its Recommendation within 45 days after the filing of the Petition. [See, 35 Ill. Adm. Code 104.416(a)]. In this instance, the filing date for the Recommendation would ordinarily have been due on Friday, November 26, 2004, however, the Board's regulations have extended the original filing date to Monday, November 29, 2004, by virtue of the Thanksgiving holidays. [See, 35 Ill. Adm. Code 101.300(a)].

3. The undersigned attorney was assigned the responsibilities for handling this case matter during the week of October 19th, but has been unable to devote any substantial time or resources to the Illinois EPA's Recommendation due to the press of other enforcement and appeal-related case assignments. At the time of the filing of this Motion, the Recommendation is nearly seventy-five percent complete. The undersigned attorney anticipates finalizing the document early next week and, thereafter, circulating the document to the Illinois EPA's technical staff for review.

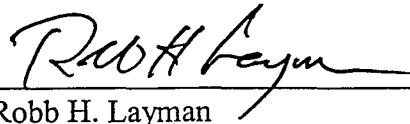

4. Based on the fore-going reasons, the Illinois EPA formally requests an extension of time of approximately 10 days in which to file its formal Recommendation with the Board.

5. Prior to the filing of this Motion, the undersigned attorney spoke with Petitioner's counsel, Mr. John J. Privitera, to apprise him of the Illinois EPA's request for additional time to prepare the Recommendation. Mr. Privitera stated that that he had no objection to the substance of the Motion.

WHEREFORE, the Illinois EPA respectfully requests that the Board grant this Motion and issue an order allowing the Illinois EPA to file the Recommendation with the Board in this matter by no later than Wednesday, December 8, 2004

Respectfully submitted,

ILLINOIS ENVIRONMENTAL
PROTECTION AGENCY,

Robb H. Layman
Special Illinois Assistant Attorney General
