HEARING OFFICER ORDER

On December 2, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioners represented that the underlying enforcement matter has been settled and that a consent decree has been entered. The petitioners are completing a series of requirements that is mandated by the consent decree. Once completed, the petitioners anticipate that they will be filing a motion for voluntary dismissal for the above-captioned matters once a revised permit is approved. The petitioners represented that they will file a waiver of the statutory decision deadline to and including May 19, 2005.

The parties are directed to participate in a telephonic status conference with the hearing officer on January 27, 2005, at 11:30 a.m. The status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing. If, however, motions to dismiss the respective matters are filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
