HEARING OFFICER ORDER

On December 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears that a settlement has been accomplished on the key issues and any language issues appear to be resolved. The complainant represented that the stipulation and proposal for settlement (stipulation) is being circulated for review and signatures. The parties made a joint motion for an extension of time to file respondent's answer. The motion is granted. Respondent's answer is now due on or before March 3, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 10, 2005, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
