ORDER OF THE BOARD (by J. Yi):

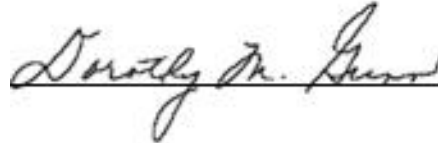

This matter is before the Board on a "Petition for a Variance, an Extension and Modification of PCB 98-24" (petition), filed on September 2, 1998, by petitioner, White Cap, Inc. (White Cap). White Cap requests that the Board grant a variance from the Board's air pollution control regulations for miscellaneous metal coating operations found at 35 Ill. Adm. Code 218.105, 218.205, 218.207, and 218.211. White Cap requests the Board to extend the current variance granted by the Board in PCB 98-24 (see White Cap, Inc. v. Illinois Environmental Protection Agency (December 4, 1997), PCB 98-24). White Cap also asks that the Board provide retroactive relief, effective September 7, 1998. Finally, White Cap requests that the Board find that White Cap does not need to demonstrate compliance with 35 Ill. Adm. Code 218.207(b)(2) contained in Condition 5 of the variance granted by the Board in PCB 98-24.

Pursuant to 35 Ill. Adm. Code 104.123, White Cap asks that the Board incorporate into the instance petition the petition for variance in PCB 98-24, the transcript from hearing in PCB 98-24, and the opinion and order of the Board in PCB 98-24. The Board hereby grants White Cap's request to incorporate the aforementioned documents into the record in this proceeding.

White Cap has waived hearing. The Board will accordingly consider White Cap's petition after it has received the recommendation and response of the Illinois Environmental Protection Agency (see 35 Ill. Adm. Code 104.180).

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1st day of October 1998 by a vote of 7-0.

A handwritten signature in cursive script, reading "Dorothy M. Gunn", written over a horizontal line.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
