**HEARING OFFICER ORDER**

On December 21, 2004, petitioners participated in a telephone status conference with the hearing officer. Respondent did not appear. Petitioners' new proposal to respondent addresses respondent's concerns about the initial proposal. After a period of review, petitioners hope that respondent will issue a new permit. The permit may not address all of the issues that are the subject of this appeal, but petitioners do not yet have any further information.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:30 a.m. on March 22, 2005. The status conference shall be initiated by the petitioners. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

Petitioners have filed an open waiver of the statutory decision deadline in this matter.

IT IS SO ORDERED.
