HEARING OFFICER ORDER

On December 20, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties reported that settlement negotiations are ongoing, including a drafting of a supplemental environmental project. It was agreed that respondent's answer is now due to be filed on or before April 7, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 17, 2005, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
