**HEARING OFFICER ORDER**

On January 6, 2005, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it forwarded the results of the various radium testing on the site to the respondent for review. The respondent represented that it intends to proceed with internal discussions and contact the petitioner concerning the results. Petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 10, 2005, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance.
