ORDER OF THE BOARD (by J.P. Novak):

On December 21, 2004, the parties timely filed a joint notice to extend the 35-day period within which Reed's Service may appeal a November 12, 2004 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.402, 105.406. The Agency rejected petitioner's site classification completion report for Reed's Service's leaking underground petroleum storage tank facility located at 108 South Cross Street, Crossville, White County.

The Board extends the appeal period until March 21, 2005, as the parties request. *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.406. If Reed's Service fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on January 6, 2005, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
