HEARING OFFICER ORDER

On January 13, 2005, all parties participated in a telephonic status conference with the hearing offer. The parties represented that a penalty demand has been agreed to and that the respondent is reviewing a draft stipulation and proposal for settlement (stipulation).

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 10, 2005, at 9:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
