HEARING OFFICER ORDER

On January 19, 2005, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it has recently received a revised draft permit from the respondent and it is at present reviewing the document. If acceptable, the petitioner will file a motion to voluntarily dismiss the above-captioned matter.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 31, 2005, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
