HEARING OFFICER ORDER

On January 20, 2005, a telephonic status conference with the hearing officer was held. The complainant represented that the Illinois Environmental Protection Agency is still reviewing a corrective action plan submitted by the respondent. The parties represent that they have agreed on a penalty demand.

The parties are directed to participate in a telephonic status conference with the hearing officer on April 7, 2005, at 9:00 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
