**HEARING OFFICER ORDER**

On January 20, 2005, a telephonic status conference was held. Complainant did not appear due to a scheduling conflict. The respondent represented that the parties have reached an agreement and that a stipulation and proposal for settlement (stipulation) is being circulated for review and for signatures.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 21, 2005, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
