**HEARING OFFICER ORDER**

On January 25, 2005, the parties informed the hearing officer that they appear to have reached a settlement and requested that respondent's response to complainant's motion to strike or dismiss respondent's defenses be stayed. That request is granted and will be discussed at the next status conference if needed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 23, 2005, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
