ORDER OF THE BOARD (by J.P. Novak):

On October 21, 2004, at the parties' request, the Board extended until January 11, 2005, the time period for Illinois State Toll Highway Authority to appeal a September 1, 2004 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 101.300(b), 105.402, 105.406. The Agency granted petitioner's request for a no-further-remediation determination, with conditions added, for Illinois State Toll Highway Authority's leaking underground petroleum storage tank facility located at Lake Forest Oasis East, Tri-State Tollway Northbound, Lake Forest, Lake County. Because petitioner failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on January 20, 2005, by a vote of 5-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
