MOTION TO EXTEND TIME TO SUBMIT AMENDED PETITION

Petitioner, Village of Bensenville files this motion to extend the time to file its amended petition and states in support as follows:

1. Petitioner filed its initial Petition on January 3, 2005. The Board issued an Order on January 20, 2005, accepting the Petition but requesting the Petitioner provide additional information. The Board further requested that an amended Petition be filed by February 18, 2005.

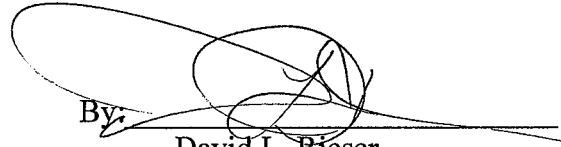

2. After receiving the Board Order, Petitioner also received a communication from the Illinois Environmental Protection Agency suggesting that the IEPA believed that other additional information should be provided to the Board.

3. In order to respond to these requests, Petitioner is currently preparing an amended Petition. It will not be ready for filing by the date specified in the Board Order. Petitioner requests that the date be extended by 14 days until March 4, 2005.

4. Counsel for the IEPA indicated that she had no objection to this extension request and no other person has filed an appearance in this matter. This extension will not prejudice any other person.

Wherefore, for the reasons stated in this Motion, Petitioner respectfully requests that the date for filing an Amended Petition be extended until March 4, 2005.
