Re: Letter of Support of Proposed Phosphorus Regulations

Dear Sir or Madam:

As Executive Director of The Northeastern Illinois Planning Commission (NIPC), I would like to clarify the following. The letter I sent to you dated November 29, 2004, expressing support for the proposed phosphorus regulations, is a letter from myself expressing our NIPC staff opinion and is not an adopted position of the Commission.

We will take this issue to the Water Resource Committee of the NIPC Commission for their consideration. In the meantime, I hope our staff advisory point of view has been useful. We apologize for any misunderstanding in this matter.

Sincerely,

Northeastern Illinois Planning Commission

Ronald Thomas, AICP
Executive Director
