HEARING OFFICER ORDER

On February 23, 2005, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it will forward a draft stipulation and proposal for settlement (stipulation) to the respondent for its review in the near future. It was agreed that respondent’s response to complainant’s motion to strike or dismiss respondent’s defenses be stayed. That request is granted and will be discussed at the next status conference if needed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 28, 2005, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
