To Whom It May Concern, - Petition for Review

I would like to have a Review  
of the Citation given to me. I removed  
all my belongings from the house  
and grounds & moved out on 11-5-04  
when my ex-wife took over the property.

My son Lusty moved in with his  
Mother & told me he would remove  
his belongs (trucks, tires, & junk) etc.

I left the property & moved in  
with my elderly father. I have not returned  
to that property since. In order to keep  
conflict between my ex-wife

My son Darin was not working at the time + offered his brother Rusty to help clean off the property. Darin was ordered off the property by his Mother

I would like to meet with Mr King on the property, whenever he will be available. I would be willing to meet him in Springfield. I called his office last week & he was on vacation.

My cell # is 217-622-8111 I will take time off my job any time in order to get this settled A.S.A.P.

I am working at Taylorsville, (21)  
Asphalt Plant & Bridges at Manchester,  
Illinois

Hoping to hear from you soon!

Sincerely,  
Robert H. Spier
