**HEARING OFFICER ORDER**

On February 23, 2005, the petitioner informed the hearing officer that this matter is related to a matter in circuit court where various motions are under advisement. However, the judge who was assigned to the matter has since retired and it is anticipated that a new judge will be assigned thus delaying the ruling. The petitioner represented that it will file an additional 90-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 12, 2005, at 10:45 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
