HEARING OFFICER ORDER

On February 24, 2005, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it anticipates that it will file an amended complainant in the near future naming additional respondents. To that end, it was agreed that all discovery deadlines have been stayed and will be revisited at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 28, 2005, at 11:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
