**HEARING OFFICER ORDER**

On February 23, 2005, all parties participated in a telephonic status conference with the hearing officer. Discussion included the respondent's motion for an extension of time to respond to complainant's motion to strike affirmative defenses, filed February 18, 2005. The complainant has no objection. Respondent's motion was granted. Respondent's response to complainant's motion to strike affirmative defenses is now due to be filed on or before March 4, 2005. The hearing officer directed the parties to submit a proposed discovery schedule on or before March 2, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 7, 2005, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing.
