HEARING OFFICER ORDER

On March 3, 2005, a telephonic status conference was held. Respondent did not appear due to a scheduling conflict. The complainant informed the hearing officer that a stipulation and proposal for settlement (stipulation) is still being circulated for review and signatures.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 12, 2005, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
