HEARING OFFICER ORDER

On March 10, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears they have reached a settlement in and that complainant is to draft a stipulation and proposal for settlement (stipulation) and circulate for review.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 23, 2005, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
