HEARING OFFICER ORDER

A telephonic status conference was scheduled for March 10, 2005. Complainant did not appear. The respondent represented that it is reviewing a draft stipulation and proposal for settlement (stipulation). The hearing officer granted the respondents' oral motion for an extension of time to file their answer. Respondents' answer is now due on or before May 27, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 11, 2005, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
