(NPDES Permit Appeal)

PETITIONER'S MOTION TO THE ILLINOIS POLLUTION CONTROL BOARD FOR VOLUNTARY DISMISSAL OF NPDES PERMIT APPEAL

Now comes the Petitioner, Metropolitan Water Reclamation District of Greater Chicago ("District"), by its Attorney, Michael G. Rosenberg, and requests that the Illinois Pollution Control Board dismiss the District's Petition for NPDES Permit Appeal. In support hereof, the District states as follows:

1. On August 18, 2004, the District filed a Petition for NPDES Permit Appeal with the Illinois Pollution Control Board ("IPCB"). The appeal pertained to NPDES Permit Number IL0047741 issued to the District for its Kirie Water Reclamation Plant by the Illinois Environmental Protection Agency ("IEPA"). The appeal challenged certain terms and conditions in the permit.
2. On September 2, 2004, the IPCB accepted the petition for hearing. The IPCB subsequently assigned Hearing Officer Bradley P. Halloran to this appeal.
3. On August 20, 2004, the IEPA issued the Kirie WRP a modified permit. The permit was further modified in March, 2005. The modifications have satisfactorily resolved the

issues under appeal and of concern to the District. Therefore, the District requests that the instant appeal be dismissed.

WHEREFORE, the Metropolitan Water Reclamation District of Greater Chicago requests that the instant NPDES permit appeal be voluntarily dismissed.
