## **HEARING OFFICER ORDER**

On March 24, 2005, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it appears a settlement is likely and that a draft stipulation and proposal for settlement (stipulation) is being circulated for review and comments. The respondent made an oral motion for an extension of time to file its answer. The complainant had no objection. The respondent's motion is granted. The respondent's answer is now due to be filed on or before June 17, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 18, 2005, at 2:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
