HEARING OFFICER ORDER

Telephonic status conferences were held on March 24, 2005, and March 30, 2005. All parties participated. The motion to compel filed by the petitioner on March 15, 2005, was discussed on March 24, 2005. The respondent represented that it will file its response in a timely manner. The hearing officer represented that it may make a ruling on or before March 30, 2005. Finally, the respondent's attorney represented that it will accept service of notice of appearance on behalf of the respondent pursuant to Illinois Supreme Court Rule 237.

On March 30, 2005, the hearing officer continued the telephonic status conference to the date and time noted below. The hearing officer anticipates that a ruling will be rendered on respondent's motion to compel at that time.

The parties or their legal representatives are directed to appear at a telephonic pre-hearing conference with the hearing officer on April 5, 2005, at 4:00 p.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
