HEARING OFFICER ORDER

On April 7, 2005, the parties participated in a telephone status conference with the hearing officer. Complainant has had some difficulty getting in touch with the final witness that needs to be deposed. All parties agree that this witness is very important to the case. The Illinois Environmental Protection Agency is still considering respondent Michel's settlement offer, but is waiting to hear what the final witness says at the deposition.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:30 a.m. on June 7, 2005. The telephone status conference will be initiated by the complainant, but each party is responsible for its own appearance. The parties shall be prepared to discuss the status of this case, and their readiness for hearing.

IT IS SO ORDERED.
