Re: #R04-22/23

To Whom It May Concern:

This letter is to request additional hearings to be held by the Pollution Control Board on the proposed amendments to Part 732 and Part 734 Regulations. The past hearings have all been held in Northern Illinois. As an interested person, I would like to request that an additional hearing would be held in Southern Illinois to provide optimum opportunity for citizens from all parts of the state to participate in the rulemaking process. Your time and consideration concerning this matter is greatly appreciated.

Sincerely,

*Monica A. Piasecki*
