To Whom It May Concern:

As an interested party, I read the First Opinion and Order from the Pollution Control Board on the proposed amendments to Part 732 and would like to voice my opinion regarding #R04/22/23.

I would like to respectfully request that the Pollution Control Board hold additional hearings thereby providing participants the opportunity to provide a platform for a more open and objective approach to the proposed amendments to Part 732 and Part 734 Regulations. In addition, in the past the hearings have been held in Northern Illinois, and being a life long citizen of Southern Illinois, I would like to suggest these hearings be held in Mt. Vernon.

Thank you very much for allowing me to voice my opinion on this subject..

Sincerely,

Linda Tomaszewski
