## **HEARING OFFICER ORDER**

On April 7, 2005, the parties informed the hearing officer that a corrective action has been forwarded to the Illinois Environmental Protection Agency for review and is awaiting its comments.

The parties are directed to participate in a telephonic status conference with the hearing officer on June 23, 2005, at 9:00 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
