**HEARING OFFICER ORDER**

On April 28, 2005, all parties participated in a telephonic status conference with the hearing officer. The petitioner informed the hearing officer that the related enforcement matter that is also before the Board has been settled and that a stipulation and proposal for settlement (stipulation) is being circulated for review. If the stipulation is approved in the related matter, it intends to file a motion to voluntarily dismiss this matter. The petitioner represented that it will file a 120-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 14, 2005, at 9:15 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss this matter is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
