HEARING OFFICER ORDER

On April 27, 2005, the complainant's attorney informed the hearing officer that she has a scheduling conflict for the May 5, 2005, telephonic status conference, and requested that it be rescheduled and continued for 60 days. Complainant represented that the respondent has no objection. Complainant's request is granted. To that end, the respondent's answer is now due on or before July 29, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 14, 2005, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
