**MOTION FOR EXTENSION OF TIME**

NOW COMES Professionals of Illinois for the Protection of the Environment (“PIPE”), by and through its attorney, Claire A. Manning, Brown Hay & Stephens, LLP, and respectfully requests that the Board allow until May 11, 2005 for filing of questions for the Illinois Environmental Protection Agency (“IEPA”) prior to the next hearing. The undersigned has spoken to Kyle Rominger, counsel for the IEPA, who has indicated that the IEPA will have no such objection, but that the IEPA would then like until May 25, 2005 to respond formally to such questions. PIPE has no objection to such extension. PIPE’s requested extension is made because PIPE member companies could not coordinate their responses in the short period of time set forth in the Hearing Officer’s April 20, 2005 Order. Accordingly, PIPE member companies will need the extra time and, in order to save costs, intend to file such comments individually – on behalf of their respective companies.

ELECTRONIC FILING, RECEIVED, CLERK'S OFFICE, MAY 4, 2005

As to the Hearing Officer question concerning the parties' availability, the IEPA asserts that it is not available for hearing during the latter part of June and the entire month of July. PIPE members will be available for hearing on whatever days the Board determines appropriate, but believes that the first week of June will be too early to effectively allow for follow-up questions regarding the IEPA's responses.

Respectfully submitted,

of the Environment**
