Carbondale, IL

PURPOSE OF HEARINGS: Merit and Economic

ATTENDING BOARD MEMBERS: G. Tanner Girard

HEARING OFFICER: Marie E. Tipsord

HEARING OFFICER ORDER

On May 4, 2005, the Professionals of Illinois for the Protection of the Environment (PIPE) asked for an extension of time to file prefiled questions until May 11, 2005. PIPE also asked that the Illinois Environmental Agency (Agency) be given until May 25, 2005, to respond to prefiled questions. On May 5, 2005, the Agency filed a response to the motion and agreed to the extension of time for filing. The motion for extension of time is granted.

In compliance with the Americans with Disabilities Act and other applicable federal and State laws, the hearing will be accessible to individuals with disabilities. Persons requiring auxiliary aids and services should contact Dorothy Gunn, Clerk of the Board, at 100 West Randolph St., Suite 11-500, Chicago, Illinois 60601, at telephone number 312/814-6931, fax number 312/814-3669, or TDD number 312/814-6032, five days prior to the hearing.

In addition to the prefiling of questions and answers, the participants were asked to indicate their availability for an additional hearing in this proceeding. Based on the responses and the Board's own schedule, the first available date is July 27, 2005. Therefore, the Board will hold an additional hearing in this proceeding starting on July 27, 2005. The hearing will be held at the Southern Illinois University School of Law in Carbondale, Illinois.

The purpose of this hearing will be to allow for any additional testimony or follow-up to the prefiled questions and answers. The prefiled questions and answers will be entered into the record as exhibits. Any additional testimony by the parties should be prefiled by July 1, 2005. The prefiled questions, answers, and testimony will be available either on the Board's web page at www.ipcb.state.il.us or by contacting the hearing officer.

IT IS SO ORDERED.

Marie E. Tipsord
Hearing Officer
Illinois Pollution Control Board
100 West Randolph, Suite 11-500
