HEARING OFFICER ORDER

On May 11, 2005, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it has been discussing issues such as modifying conditions in the draft permit. The parties also represented that the Illinois Department of Nuclear Safety is reviewing a condition in the draft permit as well. Petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 14, 2005, at 11:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
