## **HEARING OFFICER ORDER**

On May 19, 2005, all parties participated in a telephonic status conference with the hearing offer. The parties represented that they anticipate that the stipulation and proposal for settlement (stipulation) will be filed within 14 days.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 14, 2005, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
