INSPECTION REPORT NARRATIVE

Curt White of DLPC/FOS Champaign Regional Office reinspected this site on May 5, 2005. The weather conditions during this inspection were sunny and 75° F. No interviews were conducted during this inspection. The initial inspection was conducted as a result of a referral from the Illinois State Police.

The site is located at 1494 N 2040th Street, Flat Rock, IL. The resident at the site is Hunter Garrard. Mr. Garrard's mailing address is the same as the location address. State Trooper Jason Holt determined the residency. Leroy and Julie Shipman own the site. The mailing address for Mr. & Mrs. Shipman is 2105 Maple Street, Lawrenceville, IL 62439. The ownership was determined by going to the Crawford County Supervisor of Assessments office in Robinson, IL. A copy of the deed is attached to this report.

This inspection was conducted in accordance with Sections 4(c) and (d) of the Illinois Environmental Protection Act ("Act"). The purpose of this inspection was to determine if the site is in compliance with the Act and Regulations.

SITE HISTORY

An Administrative Citation Warning Notice was sent to each of the above-mentioned respondents by certified mail on November 22, 2004 and received by Julie Shipman and Hunter Garrard both on November 23, 2004 according to the U.S. Postal Service Mail Receipt. On December 7, 2004 I received a response from Mr. Shipman. Mr. Shipman is in a nursing home stated he is not responsible for the open burning and dumping. On January 3, 2005 I received a statement from Mr. Garrard written by Rebecka Wright stating he would clean up the property but needed some more time. Mr. Garrard asked for an extension of April 15, 2005. I granted this request in an Agency letter dated January 7, 2005. Mr. Garrard also stated in his letter that Mr. Shipman is not responsible for the violations at the site. On April 14, 2005 I received a phone call from Ms. Wright and she asked if I was inspecting the site on April 15, 2005. I stated I was not and asked her the status of the clean up. Ms. Wright stated the site was cleaned up except for a small amount of salvage. I informed her that as long as the salvage was organized it should not be a problem and to send me all disposal receipts. Ms. Wright stated she would send me all disposal receipts. End of Conversation. Two weeks later I called Ms. Wright and informed her that I have not received any disposal receipts. Ms. Wright stated to me that she sent them the next day after our previous conversation. I asked if she made copies of the receipts. She stated she did not. End of Conversation. I then scheduled a reinspection for May 5, 2005.

LPC #0338050003-Crawford County Flat Rock / Shipman-Garrard Inspection Date: 5/5/05

MAY 5, 2005 INSPECTION FINDINGS

I arrived on the property at 11:45 am noticed several piles of loose dirt that was not at the site during the previous inspection (see photos 10 & 11). I knocked at the residence of Mr. Garrard. Nobody answered the door. In front of Mr. Garrard's residence I observed a 4' x 3' burn pile that contained a garden hose, cans, metal and ash (see photo 1). This was a new burn pile at the site. I walked north and observed ash, charred metal, cans other wastes (see photos 2 & 6). There was a ridge on back of the waste pile where it appeared a hole was recently dug and then filled in (see photos 2 & 6). I walked east and observed a 15' x 15' x 1' waste pile that contained charred appliances and metal and a partially buried used tire (see photos 3,4 & 12). I walked north and observed tire rims and tire beads partially buried in dirt (see photo 5). I looked east and observed a 20' x 5' x 1' waste pile that contained ash, metal, and other wastes (see photo 7). I looked north and observed another used tire sticking out of the ground (see photo 8). I observed the dirt closer and saw metal, tire beads, glass and other litter protruding through soil (see photo 9). I then observed another 4' x 3' burn pile that contained a can, metal and ash at the site (see photo 13). This was a new burn pile at the site. I left the site at 12:00 pm.
