**HEARING OFFICER ORDER**

On June 21, 2005, the parties participated in a telephone status conference with the hearing officer. By way of background, there are several corporations working on the land farm along with petitioner. While it previously appeared that these corporations were going to submit a closure plan in Lawrence county circuit court, the corporations are now considering whether to pursue other remedial activities for the site. A hearing is scheduled for September 2, 2005, in circuit court, and hopefully, the corporations will decide by then. The petitioning corporations would then need to submit a proposal for respondent's consideration.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:30 a.m. on September 20, 2005. The status conference shall be initiated by the petitioner.

Petitioner has filed an open waiver of the decision deadline in this matter.

IT IS SO ORDERED.
