HEARING OFFICER ORDER

On July 7, 2005, all parties participated in a telephonic status conference with the hearing officer. The complainants represented that the respondent has recently forwarded a written proposal, although an incomplete one, for their review. The respondent represented that it is striving to forward the additional materials to the complainants prior to the next status conference so that they may review the complete proposal. By agreement, discovery has been suspended while the parties explore settlement.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 4, 2005, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
